### PRESIDENT'S COLUMN.

It is nice to have a club such as ours to enjoy and get away from the rest of the world for a short period of time.

There have been a lot of people fishing this year, not only at the club, but all across Ohio. It is one of those things you can get out and enjoy and not have to worry too much about catching a virus in the process.

We have also seen lots of rules broken as well. Take a few minutes and review the ground rules, especially the general section as it applies to the club as a whole, and then the sections that apply to what area you are participating in.

Some of these rules may seem silly, but they are there for a reason. We have a beautiful club, but imagine what it would look like if everyone drove or parked in the grass all the time.

If you are interested in becoming more involved in the club and learning the inner workings, and why things are done like they are, I would encourage you to run for an Officer or director seat this October.

I hear there will be a Greene County Fair this year, so contact the Conservation Chairman if you are interested in helping.

I hated that we had to cancel our Jakes day this year. It is always fun to see the youth come out and learn new things, as well as seeing them grow from year to year and how much knowledge they retained from the previous year.

The next membership meeting will be like the last. Since Greene County has been labeled a "hot spot" we can't be too careful.

There are a lot of new members that still need a meeting. Please see the website for details on how the meeting will work, and anything else going on at the club.

We update the information as it changes, usually after meeting nights. Stay Safe!

— Gary Smith

## (COVID-19) UPDATE!

Members,

We will have a meeting in July, but the only people in the clubhouse will be Officers, Directors, and Chairmen so that we can maintain our distance and still conduct club business. New members of record are invited to come to the back of the clubhouse to get one of their meetings in if they so wish.

Please do not bring others with you, and we encourage you not to come if you are not a new member. The outdoor speakers will be on so you can hear the meeting. Please bring a Chair, Umbrella, or whatever you might need for the elements, and please maintain the recommended distance from others.

There will be a place to sign in on the back porch. The kitchen will not be open at this time.

As we continue to keep things going at the club, keep in mind that it is a personal choice to participate in any events. You can participate, but you do not have to. If you do choose to participate, please follow the rules so that everyone can have an enjoyable experience.

Our club website is the primary communication board for the Club. Please check there for further updates. We will continue to monitor the situation and update you as things change.

We appreciate your continued patience during these difficult times.

# WE'VE MADE SOME CHANGES! YOUTH HUNT UPDATES

We're another month closer, a little less than 5 months remain until the big day. Things are going well. We have plenty of pheasants, four young hunters have already registered for the event, and we are getting more volunteers every day to help make this event all that we hope it will be.

Some big surprises are also planned for the kids, the parents and the volunteers. If I tell you what they are, they will no longer be a surprise. Like the wing flutter of a flushing rooster against your dew dampened pants leg, I guarantee these surprises will get your heart pumping.

As the parent or grand-parent of a young person, you do not want to let this opportunity to share our legacy get away. There are life lessons to be learned that extend far beyond a safe and successful hunt.

You can register your child or grandchild now or anytime up until November 7th, or until the roster is full, whichever comes first, by printing out a registration form using the link provided at the bottom of this page.

Just print it, fill it out and send it back to the club: GCF&G, Attn: Rooster Run, P.O. Box # 64, Xenia, Ohio 45385. We'll get them signed up and ready. Do it today and don't delay.

We are looking for a few adventurous young ladies to take part in this great outdoor event. You don't have to be Annie Oakley, just be willing to give it a shot. Give us your best effort and we'll give you ours. We promise!

**This year's event will be limited to 30 hunters and all hunters for this year's event will have to pre-register. Don't wait to register, sign-up now!**

If you have helped with this event in the past and you plan on doing so again, give me call or e-mail and let me get your valuable contact information.

Tell me what you have done in the past and where you would like to help with this year's event. Some of the records we have from previous years is a little hit or miss.

Did you bring your dog out last year for the hunt? If so give me call and let me know your name and your dog's name too.

We are committed to making this event a success, but honestly we could use your help. It's your club, so please invest in it with us.

## **HERE ARE SOME OF THE THINGS WE STILL NEED!**

**26 More Registered Youth Hunters (Limit 30).**

**A Few More Young Lady Hunters willing to Show-up the Guys!**

**8 More Event Business Sponsors (Cost \$125 each).**

**4 - 5 More Welcome Banner Business Sponsors (Cost \$75 each).**

**19 More Youth Hunter Sponsors / Mentors (Member cost \$20 each).**

**Covered Dish Commitments for our Potluck Lunch.**

**All Your Favorite Pheasant Recipes!**

**Volunteers to help with different parts of the Event.**

These are just some of the things we need to make this year's Youth Hunt one of the best ever! If you are a small business owner and would like to help us out or if you are a club member who wants to invest in the future of our club and the Outdoor Sports, give me a call or shoot me an e-mail.

I know there are ladies at the club that like to cook and it's clear by the looks of their men, they are pretty good at it. We'd love for you to showcase and share your favorite dish with us. You can even use this opportunity as a Tune-up for one of your famous Thanksgiving dishes or desserts.

New Members, there are opportunities for you prior to and on the day of the event. We have all kinds of needs and wants for this great event. Contact us and let us know what your area of expertise or interest is and become part of the fun. It's happening now, it's rewarding and it's essential.

## THE LEGACY TACKLE BOX

This box may look like any other tackle box, but don't be fooled! It's a special tackle box. It's empty now, but with your help it will be full of brand new fishing tackle by the Annual Youth Hunt on Saturday, November 14th.

Together We can make this box special for one lucky young hunter / soon to be angler. There will be a few GRAND PRIZES that will also be given away after a great meal and at the conclusion of the Rooster Run.

These prizes will all be Outdoor Related with the sole purpose of getting kids outside in the clean healthy air and away from their electronic devices and social media. Please don't tell them, it can just be our little secret.

Everybody has or had someone in their life who makes or has made a difference and made it special. Let me ask, have you honored them lately? What could be a better and inexpensive way to do that, than by donating new and un-opened fishing tackle in their honor or memory? (No used tackle Please). That person can be a family member or a friend, a member of the club or a non-member, maybe just someone you really miss. You can even do it anonymously if you'd prefer.

Here's how easy it is! There will be a clearly labeled drop box on the shelf in the main room between the kitchen window and the main entrance, now through the end of October. You just drop your tackle gifts into the slot on top along with one of the 3" X 5" index cards there with it. On the index card, clearly print the name(s) of the people that you want to honor and remember. One name per tackle item please.

If you don't get out to shop, or know anything about fishing tackle, just put a couple bucks in a firmly sealed envelope, write the name(s) of your honoree(s) on the outside and drop it into the same box. We'll do the shopping for you. You can also send a small check to GCF&G, C/O Legacy Tackle Box, P.O. Box # 64, Xenia, Ohio 45385. You can give as little or as much as you like, or none at all. it's up to you.

The names of all the honorees will be printed with a well written tribute in the December Club Newsletter and posted on a 16" X 20" board at the Rooster Run. I spent \$20 so that I could honor some of my gone but not forgotten friends, Gary Ebright, Kenny "Pedro" Robinson, Chris Hutchinson, Bob Akers & Bob Ramsey. Who you honor, if you choose to, is entirely up to you, but please consider honoring them this way, today.

A complete list of the names of all those loved ones honored through this gesture of giving will be given to the winner along with this fabulous prize at the Annual "Rooster Run" Youth Hunt.

**Let's Fill  
 This Sucker  
 With Memories!**

# IF YOU BUILD IT THEY WILL COME?

It worked for Kevin Costner in Field of Dreams, so why not here? We have fields, over 1,400 "All-stars" and a deep love for the sport. What else could we possibly need? As unbelievable as this may sound, what we really need most is a good group of young people willing to take advantage of this great opportunity. We already have or will have everything else in place.

A great day of Upland Hunting ends with a good meal shared with good friends. Add in just a little playful ribbing, an understanding ear and tired dog and you have the makings of a memory. One to share for a lifetime and beyond. We like to call it a Legacy, but its more of a responsibility. We are and always have been a conservation club and there is more to being a conservationist than just paying our annual dues.

Some members may ask, why do they need fishing tackle for a Youth Hunt? Some members may ask why should we buy stickers? Other members may not even care if another person's child or grandchild gets an opportunity to experience an organized hunt like this one. As someone who never had anyone to teach me the outdoor skills that I have had to acquire on my own, I understand.

The best answer I can give is "trust me". I also understand that trust does not always come easy for some. This event is about more than hunting. Responsibility, communication, understanding, appreciation and perspective is the destination. Our vehicle is this Youth Hunt. It's about bringing old and young together. It's about giving and accepting knowledge, and ultimately about sharing the experience.

It's about learning that a great hunt does not always mean a successful harvest, as some kids likely won't get a bird. However, if they leave with the desire to try it again next week with dad or grandpa, or again next year with us, it will be mission accomplished and worth all the effort.

In the past, many of the kids participate in the youth hunt, then don't hunt again during the rest of the season. That needs to change. I have to wonder why we never see these kids hunting at the club with dad or grandpa during the weeks that follow the youth hunt.

Was it a bad experience at our Youth Hunt? Did the youth lose interest? Was it an oversight by dad or grandpa? Are they being abducted by aliens? I dunno, maybe we'll find out more as we begin to focus more in getting kids off the sofas and into the fields.

— Tim Ankeney

If you would like to know what the Rooster Run Supporters listed below did to help us with our big event, I guess you'll just have to get involved, maybe come to the event. You could wait for the social media replay or the newsletter summary, but it's never quite the same. Life is a contact sport, why not get into the game?
