PRESIDENT'S COLUMN

I hope everyone got a chance to stop by the Conservation pavilion at the Greene County Fair last month. This year's fair was busy all week long, including on the Sunday before it officially opened!

Many thanks to Dave Rohrback for organizing our display and to everyone who helped out or stopped by.

Counting this month, there are only four meetings left before the end of the year. New members, you really don't want to wait until the last opportunity to attend the required meetings.

Work opportunities are easier to find – Caretaker Ken Mitch always has something that needs work!

There is also plenty of work to do to set up, run, and clean up after the club picnic on Saturday, September 18!

Picnic raffle tickets can be turned in at the September meeting or on the day of the picnic if you haven't done so already.

There will be activities all day. After COVID cancelled last year's picnic, I'm looking forward to having a great time with everyone!

We're just about two months away from the Second Annual Rooster Run. Get more information at the website <http://gcfngroosterrun.com> – the site has the registration form, flyers, announcements, and other information.

There are still slots available for youth to participate in the pheasant hunt to be held on Saturday, November 13th.

Even if you're not a hunter yourself, you can still contribute by donating to sponsor a youth hunter, purchasing supplies for this year's Legacy Tackle Box, and volunteering to help set up and support the event.

Membership renewal forms have been sent out. If you didn't find one in your mailbox, not to worry – they're available on the website at gcfng.com on the home page under *What's New!*

Don't let it collect dust! Every year, there are members who miss the opportunity to renew. If the renewal isn't received at the club by the end of the year, it's too late.

September also opens the nominations for club officers and directors. If you would like to take a more active role in the club, consider placing your name in nomination for a position. Qualifications for positions are found in Article VI, Section 6 of the GCF&G Constitution.

Finally, most answers to questions about the club are found on the main web site at gcfng.com. Under the *Quick Links* heading at the right of the Current News section, you can find direct links to the most commonly asked questions.

THE LEGACY TACKLE BOX & DONATION BOX RETURNS FOR 2021

Last year the Legacy Tackle Box was a huge hit! We asked for your help filling it and you responded. Your generous contributions put more than 1,000 pieces of fishing tackle into the box.

The memory filled, love inspired Tackle Box was given away to an excited young lady at last year's **ROOSTER RUN** event.

We want to do it again this year, and with your help we can make it even more special, with more names on our Legacy Board and more great fishing tackle in the box. We all have someone we'd like to honor & remember...

MAKE YOUR CONTRIBUTION TODAY IN THE CLUBHOUSE!

THE 2021 ROOSTER RUN IS JUST AROUND THE CORNER!

The 11/6/21 registration deadline is rapidly approaching and more than a dozen youngsters have already secured their spot on our 36 hunter event roster.

My advice to kids and parents who want to be part of the 2021 **ROOSTER RUN** is, **DON'T PROCRASTINATE, SIGN-UP NOW!** If you wait until the last minute, we may not have a spot for you. Don't let that happen to your child or grandchild.

It's been a long busy summer and I think everyone will appreciate all the hard work that has been done when we get to this year's big event.

Our **ROOSTER RUN** this year will begin with our **"KICK-EM UP"** Kick-off Dinner on Friday night. Sponsors, VIPs, and Media will be there, and this will be our time to shine.

We'll be making some big announcements at the Kick-off Dinner. Those will include the creation of the "Reading, Writing & **ROOSTER RUN** Scholarship Fund".

The scholarship will be open to high school seniors in Greene and the seven surrounding counties, who are pursuing a degree and/or career in Conservation Related Fields.

In addition, programs in support of the Greene County Family Violence Prevention Center, Local Hunger Relief programs, and support projects for first responder heroes.

We haven't forgotten the military! We are planning some projects to assist our veterans and active duty military heroes as well.

Did I mention that we are also partnering with the U.S. Marine Corps. on their local 2021 **"Toys for Tots"** Campaign?

Look for collection totes somewhere in the clubhouse soon for toys and non-perishable food items. You can help us put our best foot forward.

Let's make a difference in the lives of others in our communities.

— Tim Ankeney
