PRESIDENT'S COLUMN

Attention All Members! If you have access to the internet go to www.gfcng.com and take a look at all the new and updated articles about the club. Now instead of waiting for your newsletter to check on coming events, meetings and news, you can get it when you need it. The calendar has dates for the entire year and is updated when things are added or changed.

You can go to the sections that deal with your interests and concerns, find phone numbers / e-mail addresses for chairpersons and find links to other outdoor sites such as DOW, NRA, NMLRA and etc. You can go to the classified section to buy, sell or trade gear with other members. Give it a try and then let us know what you think.

If you are a camper or have an interest in camping, remember that the mandatory meeting will be held in the clubhouse on April 26th at 3 PM. The dues paying member that owns the unit must be present to complete all paperwork prior to receiving a camping sticker. If the owner / member can not attend the meeting, they must arrange to get signed up with the treasurer or president.

If a unit does not have a 2008 sticker on it by the June inspection the owner will be contacted to explain the situation and to make corrections. You will also elect the campground chairperson and get updates on the new well and other information at this meeting.

Fish Fry tickets are now on sale and only 200 will be available so get yours now from the kitchen, Bob Brown @ 902-0090, Pedro @ 426-6981, or from Ed Rauch at our meetings / trapshoot on Thursdays, or by sending a check to the club addressed: Attn Treasurer along with a SASE envelope. Don't miss this great event!

Clean-up weekend is April 12 & 13 from 8 AM until 5 PM both days. See any chairman, director or officer to get signed up or just show up and sign in at that time. We will put you to work somewhere. We have jobs for the young and old so come on out and lend us a hand.

Remember that the club is closed to ALL activities not related to clean-up projects during these work hours.

We will be voting on proposed changes to our Constitution at the June 10th meeting, so plan to be there and be a part of the decision. Check your calendar and come on out and enjoy your club.
